The screenshot shows a Blogger comment interface. On the left, there's a list of comments under the heading "Post a Comment On: Give Away Today". The first comment is by "alli" on March 09, 2009, about Allison Price's collection. Below it are comments by "Robin" and "Lee", also dated March 09, 2009. At the bottom is a comment by "Pinky" about "Velvet Homer: Retreat" on the same date. On the right, there's a "Leave your comment" section with a large text area, a "Choose an identity" section with radio buttons for "Google/Blogger", "OpenID", "Name/URL", and "Anonymous", and two buttons: "PUBLISH YOUR COMMENT" and "PREVIEW".

Simply type your comment, choose an identity, and click the “Publish Your Comment” button. If you are not sure what to click in the “choose your identity” section, the simplest thing to do is just click the “Anonymous” option. Once you click the “Publish Your Comment” button you are done. Check back the next day to see if you are the winner. Good luck!
